

Dear Parents,

In order to attend Sycamore Cub Scout Day Camp, our Pack is required to provide adult volunteers. The number correlates to the number of boys who register on each level. We must provide:

- Help to set up or take down each camp
- Program staff
- Den Guides

Read the attached brochure where you will find the definition of "Program Staff" and "Den Guide". Please volunteer as many days as you can, as a quality program is made stronger with more volunteers. You must volunteer for at least one day if your son is attending camp.

Keep in mind that the program is planned and all materials are provided. You just need to get yourself to a training session if you volunteer for Program Staff. Den Guide training will be done in the Pack after which you are encouraged to attend an orientation at the camp your son will attend.

Complete the following and return it **WITH** your Scouts' registration form and fee which is **due by** _____ **to** _____.

Scouts' name _____ Dates of camp _____

My name _____

Phone # _____ / _____ / _____ or _____ / _____ / _____
