

Blackhawk Area Council

Pinewood Derby

April 16-17, 2011

Welcome to the 36th Annual Council Pinewood Derby sponsored by the Blackhawk Area Council, B.S.A. and the Pecatonica Improvement Association in cooperation with Pecatonica High School

Date And Place

April 16-17, 2011, at Pecatonica High School, in Pecatonica, Illinois.

Place Categories

Place categories for the 2011 Council Pinewood Derby will correspond with our Cub Scout program.

Ten race categories will be:

- 1st Grade Winner
- 1st Grade Runner-Up
- 2nd Grade Winner
- 2nd Grade Runner-up
- 3rd Grade Winner
- 3rd Grade Runner-up
- 4th Grade Winner
- 4th Grade Runner-up
- 5th Grade Winner
- 5th Grade Runner-up

Five Design categories will be:

- 1st Grade Design
- 2nd Grade Design
- 3rd Grade Design
- 4th Grade Design
- 5th Grade Design

All entries must be in these ten race and five design categories by grade, regardless of how your pack race is organized.

Participants

Each pack may enter one Cub Scout in each of the ten race and five design categories. The race entrants shall be the winners (1st Place) and runner-ups (2nd Place) from their own pack derby. A Cub Scout may be entered in one category only.

No Duplicate Entries.

Check-In

Please register 15 minutes prior to your assigned starting time so that your Cub Scouts can register, weigh in, and pass through inspection with their cars on time.

After a Cub Scout's car passes pit inspection and is placed on the pit table, **he and he alone** will be allowed in that pit area. If there is something wrong with a car, assigned capable people will be on hand to assist with any repairs.

Any Questions?

Please call Bob Gingras, 815-288-5262, or Bill Nattress at 815-337-6119.

Preparing the Cars

Each Scout who qualifies should have his car boxed individually.

Label each box with the following information:

- Race Chairman or Cubmaster
- Pack number and district
- Race category (grade, winner or runner-up)
- Name of Cub Scout

The boxed and sealed cars are to be held by the pack race chairman or Cubmaster from the time of the pack race until the day of the council race.

Boxes **may not** be opened prior to registration and pit check-in at the designated track area. **Assigned pit crew members only may open the sealed boxes.**

Special Note

If you do not receive an acknowledgment of your pack entry within two weeks after sending in your forms and \$35.00 fee, please call the Blackhawk Area Council Service Center at 815-397-0210.

A fee of \$70.00 will be charged for all entries received after the entry deadline (March 7, 2011).

If your pack schedules its derby just before or after the entry deadline and you would like to have your Scouts race, we suggest filing a blank entry form with all information except for the names. The winners can be phoned in to the pinewood derby chairman later and the pack saves on the late entry fee.

Where to Report at Pecatonica High School

Since this will be the first time for many people to visit the Council Pinewood Derby, a road map giving directions to Pecatonica High School will be included with your starting information. There will also be signs within the school designating all race areas.

Meet your Cub Scouts, parents, and leaders at the car pick-up area. A special area will be designated in the school.

Entry Forms

ENTRY FORMS MUST BE AT THE
SERVICE CENTER OFFICE BY
MARCH 7, 2011

All race chairmen or Cubmasters must do the following upon completion of their Pack Pinewood Derby:

1. Complete the attached entry form and mail along with the **\$35.00 Pack Entry Fee** to: Blackhawk Area Council — Pinewood Derby, P.O. Box 4085, Rockford IL 61110.

NOTE: Provide a \$70.00 late entry fee if mailing entry after March 7, 2011.

After April 1, 2011, a copy will be returned to the pack race chairman or Cubmaster with the racing date and starting time for each entrant's race. **It is your duty to contact the Cub Scout's parents with that information.** Be on time - any race car may be eliminated by default if the starting time is delayed more than 5 minutes from the assigned time. Best design judging will be taking place only at the scheduled times.

2. Immediately following the pack derby, each car to be entered in the Council Derby shall be checked over, reinspected for conformity to the Council Derby Rules. **This is the time for minor repairs and re-lubrication.** (Please restrain from dumping lots of extra graphite in the storage boxes.) Pack and seal each car in a box - **1 car per box.**

Because of the excessive use of graphite in past years and the mess it makes on the tracks and floor, the Council Pinewood Derby Committee has specified that no graphiting or other lubrication will be allowed during the Pinewood Derby at Pecatonica High School. All lubrication must be done before boxing the cars.

Ties

Races that end in ties on a pack level must be run over until a winner is determined. Any entries that are received at the council office that show a tie will be returned and the pack will not be registered for the races until they re-submit the entry without any ties.

Uniforms

All Cub Scouts and leaders are encouraged to wear their uniforms. Show your Scout spirit!

Cubmaster/Race Chairman Checklist

- Pick up pinewood car kits from the council trading post as early as you can to avoid the rush.
- Conduct your pack races (preferably in January or February to avoid late entries).
- Send in your pack Entry Form before the deadline (March 7) to avoid late payment charge.
- Remind all Cub Scouts who qualify and their parents that the races will be at Pecatonica High School.
- Notify the Scouts (and parents) as soon as you receive their race times (after April 1, 2011).
- Indicate where you plan to meet the boys to give them their cars at Pecatonica High School.
- Encourage all Scouts and leaders to wear their uniforms and a smile.
- Designate someone to pick up your pack's envelope which contains your patches, ribbons, and mug at the school. Look for sign "Patch Pick-Up."
- Plan to have fun!

Fifth-Grade Webelos Scout Policy

The following policy applies to fifth-grade Webelos Scouts qualifications for racing at the Council Pinewood Derby races at Pecatonica High School.

If the fifth-grade Webelos Scout races at his pack race **as a Cub Scout** and qualifies for the council race, then he may race, even if he has graduated to Boy Scouts.

However, if the Webelos Scout graduated to Boy Scouts **before** the pack race, he will not be able to qualify for the council races. If the pack wishes, the Scout can race at the pack level, but just won't qualify for the council races at Pecatonica High School.

ALL RACE RESULTS WILL BE DETERMINED BY THE ASSIGNED TRACK JUDGES, AND ALL TRACK JUDGE DECISIONS WILL BE FINAL. VIDEO REPLAYS, PHOTOS, ETC., WILL NOT BE CONSIDERED

Car Inspection

Every car entered will be subjected to and must pass an inspection to the rules and regulations of Grand Prix Kit #17006 and the foregoing Blackhawk Area Council Pinewood Derby Car Regulations.

If the car does not meet the above specifications, it must be altered by a responsible adult or it will be disqualified.

Blackhawk Area Council

Pinewood Derby Car Regulations

Attention Pack Leaders:
It is your responsibility to inform the parents and Cub Scouts of your pack of these regulations.

1. **The car must be constructed using the materials supplied with regulation Grand Prix Kit #17006.**
2. The car run in the Council Pinewood Derby shall be the identical car run by the entrant in his own pack derby, and it must have been constructed after April 17, 2010.
3. **Length:** Overall length shall not exceed 7 inches.
4. **Width:** Overall width shall not exceed $2\frac{3}{4}$ inches.
5. **Weight:** Maximum total weight of car, including driver, trims, weights, etc., shall be 5 ounces.
6. **Height:** Cars shall not be higher than 3". This is measured from the bottom of the wheels to the top of anything on the car. This is so all Pinewood Derby Cars will clear all timing devices.
7. **Wheels:** Wheels must those supplied in regulation kit #17006 or BSA Official Replacement wheel kit, sold separately. No modification of wheels will be allowed, except that burrs or excess plastic from the factory molding process (if any) may be removed or sanded. Wheels must be original width thickness and height and the tread surface must remain flat so that the whole tire surface can simultaneously meet the track surface. Tapering or coning of the outside surface of the wheel hub is allowed. **Wheels may not be shaved.**

Just like any real race car, all four wheels should meet the track surface. **If the flat surface of the tire is to be sanded, be careful not to round the corners (crown) or the wheel. Any rounding of the crowns will result in disqualification. An edge should still be present. See illustration below.**

The axle bore of the wheel may not be bushed, sleeved, lined, or otherwise modified to change the basic wheel-to-metal axle interface other than the application of a dry non-permanent spray-on, brushed-on, or dusted lubrication compound. Bushings, sleeves, permanent coatings, thrust washers, and enclosed axles (hub caps) are prohibited.

8. **Axles:** Axles must be those supplied in regulation kit #17006 or BSA Official Replacement kit, sold separately. Burrs on the underside of the axle head and ridges on the axle shaft (if any) may be removed. **If the underside of axle head is to be tapered, be careful not to reduce the diameter of the axle head.** Polishing of the axle shaft is allowed. The mating surface of the axle may **not** be bushed, sleeved, or lined. Only a dry non-permanent spray-on, brushed-on, or dusted lubrication compound is allowed. Bushings, sleeves, permanent coatings, thrust washers, and enclosed axles (hub caps) are prohibited. **Axles must be mounted on the car body so that wheels are directly opposite of one another.**
9. **Track Clearance:** The car must have an under-body and in-between-wheel clearance which will allow it to travel freely over a track lane strip which is $\frac{3}{8}$ inches maximum in height and $1\frac{3}{4}$ inches maximum in width.
10. **Suspension:** The car shall have a solid suspension consisting of the wheels and axles rigidly mounted to the car body. No springs, linkages, shock absorbing materials or other constructions which provide a non-rigid or floating-type suspension are permitted.
11. **Details:** Details such as steering wheel, windshield, driver, exhaust pipes, trim, etc., are permitted as long as they are rigidly mounted to the car body and do not exceed the overall car specifications.
12. **Starting Devices:** The car may not incorporate any devices which may assist starting. These shall include, but are not be limited to, magnets, liquids, spring mechanisms, etc. There shall be no loose

components within the body of the car. The car must also be free-wheeling.

13. **Front Edge:** The front edge of the car must rest against the starting peg on the track so that the entire car is behind the peg.

Race Format

The race format for each category will be a single elimination tournament conducted in heats. No more than 3 cars will race at a time, each car making one run down each of the 3 designated lanes of a multiple lane track. Heat winners will be determined by a total point system for the heat, whereby a car will be assigned 1 point for 1st Place, 3 points for 2nd Place, or 4 points for 3rd Place after each of the three races in a heat.

The car with the least total points at the end of all heats will advance to another heat. The other two cars will be eliminated from the Derby. They may be left, though, to be judged for the "Best Design Contest" to be held at various times during the session.

Scouting Alumni Connection

The national office of the Boy Scouts of America has kicked off the newest program in Scouting, called "Scouting Alumni." I have had the honor to be asked to lead this program in our council.

National BSA tells us that there are 50 million former Scouts out there and 150 million people that Scouting has touched, including parents sibling and friends. With that large a group to draw from I am asking each of you to help me to contact those individuals to rekindle the Scouting spirit and reconnect with them.

Having spent more than fifteen years as the district chairman of Ranger District, I look at this as the greatest opportunity to make Scouting even more accessible and more successful. I need each of you to provide me the names, addresses, phone numbers, and emails for any individual you know who was previously in Scouting and is no longer. We will be establishing committees for "camps," Eagle Scouts, and Vigil Honor, friends and family, communication, and finance, so if anyone is looking for more challenges, they can contact me.

It is my hope that we can create a pool of former Scouts and Scouters as well as friends of Scouts that can help with leadership and learn more about the wonderful things and opportunities our current Scouts are enjoying.

If you have questions or suggestions, please contact me, Jef Heckinger, at 815-965-2121 or jheckinger@yahoo.com. With the help of our Scouting Alumni I hope that we can serve twice the number of Scouts that we currently serve and provide many new programs and adventures for our Scouts.
