COMMUNITY SERVICE - TREE PLANTING

Please join us for our community service project. Whether rain or shine, all scouts are invited to the park in Lake in the Hills to plant a tree. This has been an ongoing project for our pack and many boys will enjoy returning to the park year after year to witness their influence in the improvement of our community. Some scouts that have participated in previous years will be thrilled to return and continue to see how their previous work has grown! Please join us - we would like to have 100% participation!!!

We are meeting at the very back end of the park located at the corner of Miller

Road and Randall Road. Please access the back portion of the park, where we will be planting the trees, by turning onto Harvest Gate off of Miller Road. Follow the street all the way to the back until you see the clearing or cars and trucks parked near the park. Please be considerate of the neighbors of the park!
