### ANNUAL FOOD DRIVE

Appreciation cannot cover how we feel for all of the help and continued support that we have received for the Grafton Food Pantry. We just want to extend our gratitude to those of you that participated in our annual food drive. In this time of pinching pennies, we understand how much it means to donate your canned goods and necessities to those that are going through an even more difficult time. It is a great lesson to teach our boys, to become a supportive part of your community. Help those when you can. There may come a time when either ourselves or one of our very own neighbors may need the support. Showing our scouts that every little bit

helps is an important life lesson. Thanks to all of you that supported this annual scout project and to those of you that continue to donate monthly at our Pack meetings. Every bit counts!
